**NARRATIVE:**

Roberto Urquidi is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include trespassing, use/under influence of controlled substances, burglary, violation of parole, accessory, possession of burglary tools, vehicle theft, evading a peace officer without regard for safety of others, hit and run with property damage, and grand theft auto. He has served multiple state prison terms, the longest being a 5 year 8 month term for evading a peace officer without regard for safety of others. Urquidi was released from state prison to the supervision of the Los Angeles County Probation Department on July 28, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Urquidi qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
